place the crochet work with the right side down on the table, you take both ends and fold them towards the middle **(see picture 3)**
with the mattress stitch we sew both ends together **(see picture 4)** and so that the pattern follows nicely. In **picture 5** you can see how it looks when both parts are crocheted together.

(picture 3)

(picture 4)

(picture 5)

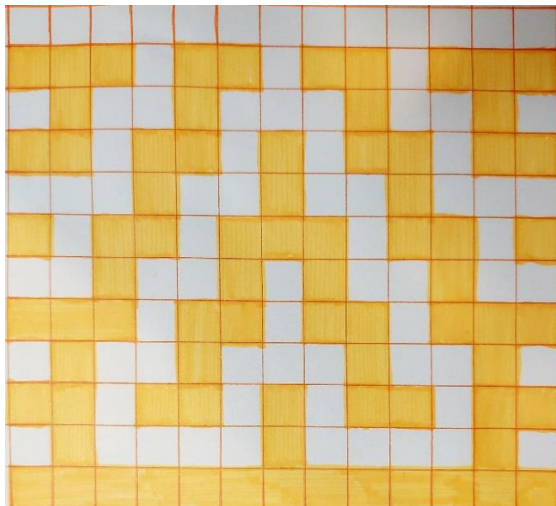

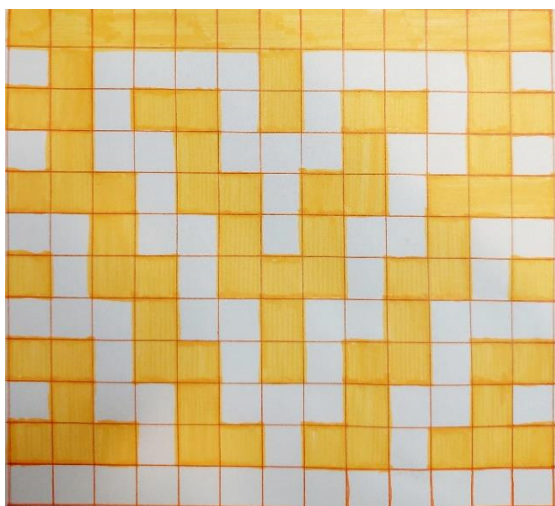

You fold the snood/scarf in half and sew the seam closed with the mattress stitch **(see picture 6 it is a picture of a snood-scarf friends in a different color I forgot to take a picture of this yellow color, that's why I took a picture of the green snood-scarf that I also crocheted a year ago).**

(picture 6)

If you don't know what a mattress stitch is, in my tutorial of Snood/Scarf Friends on YouTube I show you how the mattress stitch is done.

To finish it off, sew a label on it and your snood/scarf is ready.
