The thumb

We crochet the thumb in the round, place a stitch marker in the first stitch so you know where the row starts and ends.

Row 1: this will be a round with all single crochets. Attach the thread on the wrist side (**see picture 17**), There is a hole between the thumb part and the hand part (**see picture 18**) here we are going to make 5 extra stitches (**see picture 19**), In total you have 14 single crochets.

Row 2: 14 hdc

Row 3: 14 hdc, close the round with a sl st in the first stitch and fo.

Crochet the other wrist warmer exactly the same as the first. Only the opening of the thumb is now on the left side. (**see picture 20 and 21**)

When you have finished the wrist warmers, weave in the threads, and sew a nice label on it. Have fun wearing it.
