(picture 31 of the 4 squares with the border)

You crochet 42 pieces of these patches and place them in the order you want to crochet them together.

(picture 32, the patches how they are crocheted together)

Crocheting the patches together.

Put the wire on at the 1st patch in the corner with a slip knot (**color 385 Chrystalline**) and crochet chain 2 (goes on for a dc), then take the patch you want to crochet to it (**color 252 Watermelon**) and put the hook in the corner at the backside of your work and crochet a double crochet in the corner (**see picture 33**)

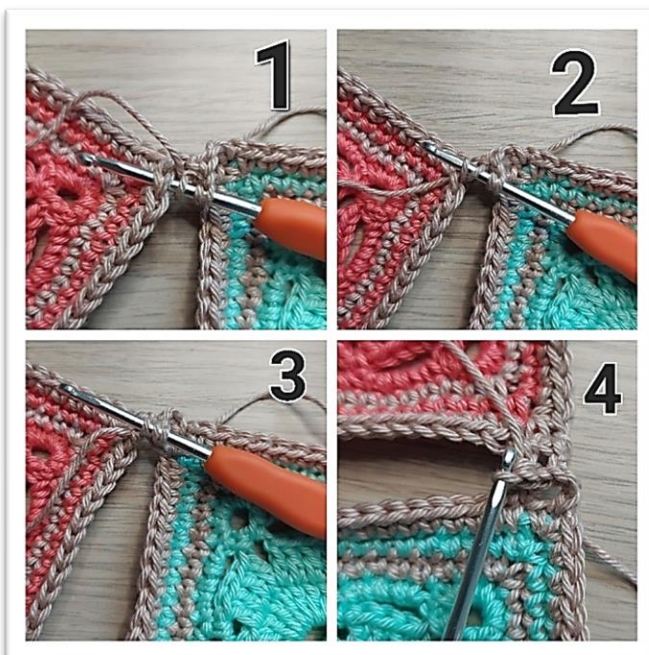

(picture 33)

”ch 1, you skip a stitch and start crocheting a double crochet but do not finish it, like this: yarn over, through the 2nd stitch from the double crochet (because you skip a stitch) of the 1st patch (of color 385 Chrystalline) pick up the yarn and pull it through the stitch, yarn over and crochet the first two loops (2 loops on the hook, see picture 34).

(picture 34)

You also do this in the other patch (color 252 Watermelon), like this: skip 1 stitch, yarn over, put in the 2nd stitch from the double crochet (because you skip a stitch), pick up the yarn and pull it through the stitch (4 loops on the hook) and crochets the first two loops (3 loops on hook), yarn over and crochets the remaining 3 loops, see picture 35)”

You do this exactly as you crocheted them together lengthwise. You start in the corner of the 1st patch and crochet a chain 2 (this goes on for a double crochet) then you take the patch next to it and put the crochet hook in the corner at the backside and crochet a double crochet (**see picture 43**)

(picture 43)

“ch 1, you skip a stitch and start crocheting a double crochet but do not finish it, like this: **yarn over, through the 2nd stitch from the double crochet (because you skip a stitch) of the 1st patch pick up the yarn and pull it through the stitch, yarn over and crochet the first two loops (2 loops on the hook, see picture 44).**”

(picture 44)

You also do this in the other patch, **like this: skip 1 stitch, yarn over, put in the 2nd stitch from the double crochet (because you skip a stitch), pick up the yarn and pull it through the stitch (4 loops on the hook) and crochets the first two loops (3 loops on hook), yarn over and crochets the remaining 3 loops, see picture 45)**

(picture 45)
